

Marilyn Fedran

I respectfully ask that you reject all proposals that would be detrimental and indecent for our children and grand children.

"Many" years ago when my children were growing up we had decency on programs.

They were ~~not~~ watching.

"Decent"

stories, humor and educationally

"Please"

do not make

worse then it is now.

## Public Comment: FCC Proceeding 13-86

I oppose any changes to the current FCC indecency standards. The FCC must continue to vigorously oppose ALL indecent content, even if brief or "fleeting."

The Supreme Court has affirmed the FCC's authority to enforce policies prohibiting indecent broadcast content during hours when children are likely to be in the viewing or listening audience. Relaxing the current policy would not serve the public interest.

I urge the FCC to reject all proposals that would allow for the broadcast of expletives and nudity on FCC-licensed stations.
